

NVP Dawn Stangle, Illinois

Area of Focus: Advancement

Assigned to the states of: Minnesota, Hawaii, Tennessee, Kentucky, Mississippi, Louisiana, Arkansas, Rhode Island and New Hampshire

I have been a Schaumburg Jaycee since 2014. I immediately fell in LOVE with being a Jaycee! In 2017, I was Chapter President. In this position I was awarded the Robert L Pleak Memorial Award for the outstanding local president in Illinois and the Charles Kulp Jr. Memorial Award from JCI USA. I worked my tail off as local president almost doubling the membership of the chapter, I think I missed it by two. I also created new and stronger partnerships with local organizations and townships. Being local president was by far the most difficult position I have ever held in this organization. But it was my favorite, I loved it so much I stayed on for another year in 2018.

In 2019 I moved up to the state level where I was appointed to serve as the Administrative Vice President and in 2020, I was the Membership VP. In 2021 I served the 900 plus members in the 39 chapters in Illinois as the 90th State President.

I have been married to my husband Mark Stangle for 9 years and we live in Streamwood with our cockapoo Daisy Mae. I am one of two children (daughters) to my amazing parents who met on a blind date and have been married for 45 years.

I do not have any kiddos of my own but I do have 8 nephews and nieces who range from the ages of 3 to 25 years. Being an aunt is my favorite thing in the WHOLE wide world and I do not want to brag or anything BUT I am really good at it.

I am an Eastern Illinois University Alum; from there I received a bachelors in Recreation Administration. Through the years I have worked at many different positions in park districts and youth centers, one of my favorite positions was being Special Recreation Director. In 2012, I took a leap of faith and applied to be a Lifestyle Director at the Grand Dominion by Del Webb in Mundelein and almost 9 years later, I am still there. Currently I serve as the Community Association Manager where I oversee operations, business management, budget, common spaces, and services of a community. I have been a licensed Community Association Manager since 2014 and hold two professional designations as a Certified Manager of Community Associations (CMCA) and Association Management Specialist (AMS).

When I am not spending time with the family, working or Jayceeing, you will find me; in my kitchen – COOKING – NOT BAKING. I am no good at measuring things..., in Wisconsin visiting my in laws or hanging out locally with my friends and family.
